

# PRACTICE PAPER

**BOTANY DOWNS**  
Secondary College

## Level 1 History

### 91003 (1.3): Interpret sources of an historical event of significance to New Zealanders

Credits: Four

Check that you have been supplied with the resource booklet for History 91003 (1.3).

You should answer ALL parts of the question in this booklet.

If you need more space for your answer, use the page(s) provided at the back of this booklet.

Check that this booklet has pages 2–6 in the correct order and that none of these pages is blank.

**YOU MUST HAND THIS BOOKLET TO YOUR TEACHER AT THE END OF THE ALLOTTED TIME.**

For Assessor's use only		Achievement Criteria			
Achievement		Achievement with Merit		Achievement with Excellence	
Interpret sources of an historical event of significance to New Zealanders.	<input type="checkbox"/>	Interpret in-depth sources of an historical event of significance to New Zealanders.	<input type="checkbox"/>	Comprehensively interpret sources of an historical event of significance to New Zealanders.	<input type="checkbox"/>
Overall Level of Performance <input type="checkbox"/>					

Refer to the resource booklet for History 91003 (1.3) when answering the question in this booklet.

(a) How did the battle of Passchendaele **affect** New Zealand society?

In your answer, you should give evidence from the resources in the resource booklet to support your generalisations.

[illegible]

(b) How did New Zealanders **respond to** the battle of Passchendaele?

In your answer, you should consider the views of TWO different groups, such as:

- Women
- Families
- Soldiers
- Workers
- Politicians

You may refer to any of the resources in the resource booklet when completing this grid.

Group	Response to Tour

In your answer, you could consider:

- bias and/or propaganda
- the limitations of the evidence of the sources
- the need to consult other sources to check the reliability of a source
- how the other sources you could consult would help an historian.

[illegible]

**Extra paper for continuing your answers, if required.  
Clearly number the question.**

Assessor's  
use only

Question number	Answer
1	1. The first part of the text discusses the importance of maintaining accurate records in a laboratory setting. It emphasizes the need for clear labeling and proper storage of samples to ensure the integrity of the data.
2	2. The second part of the text describes the various methods used to collect and analyze data. It mentions the use of specialized equipment and the importance of following established protocols to minimize errors.
3	3. The third part of the text discusses the challenges faced by researchers in this field. It highlights the need for collaboration and communication between different teams to overcome these challenges.
4	4. The fourth part of the text discusses the future of the field. It mentions the potential for new technologies and the importance of continued research and innovation.
5	5. The fifth part of the text discusses the ethical considerations of the research. It mentions the need for transparency and the importance of protecting the privacy of the subjects.
